

MEMBERSHIP FORM

The Friends of Glimmerglass State Park is a registered not-for-profit organization. We enhance the ability of the park to fulfill their mission and provide an opportunity for members of the community to become involved in the park.

Immediate Goals:

- * to increase the community awareness and participation through organized events and programs at the park
- * fundraise for a new visitor and nature center at the park

The Friends invite your participation! Support makes the difference between a good park and a GREAT park.

How your support helps:

- * educational programs for children
- * public programs for adults and seniors to advance lifelong learning through guided tours, lectures, workshops, and discussions
- * recreational programs for the community and its visitors
- * conserve our environment and protect its wildlife
